

Flying Fish Kite

You will need:

- Piece of colourful card
- Strips of colourful tissue paper
- A stick
- A piece of string
- Tape

1. Roll your paper up and tape it into a tube.

2. Stick the string to the inside of the tube at both ends to make a loop.

3. Stick the string to your stick.

4. Stick the tissue paper strips to the other end of the tube.

5. Stick on two googly eyes
(One eye on each side).

6. Draw on some scales.

You've made a flying fish!
