

Spider Catcher

You will need:

Wool / string

Tape

Black card

Black 'legs' (card or pipe cleaner)

A button

Googly eyes

1. Roll up the black card and stick into a tube.

2. Stick one end of the tube together so that it's sealed at one end.

3. Stick on the 'legs'.

4. Stick on the googly eyes.

BIG BUGS

5. Stick the button on to the string.

6. Stick the string on to the open end of the tube.

Now you have a spider fly catcher!
