

# Tube Bumblebee

**You will need:**

- Yellow card
- Black card strips
- Small strip for antennae
- Googly eyes
- White wing cut-outs
- Tape

1. Stick on the black strips, to make stripes.

2. Roll up the card and stick the tube together.

3. Fold the antennae and stick to the inside of the tube.

4. Stick the wings on the back.

# PERFECT POLLINATORS

5. Stick the googly eyes on the front.

**Now you have a bumblebee!**
