

Make A Tube Dragon

You will need:

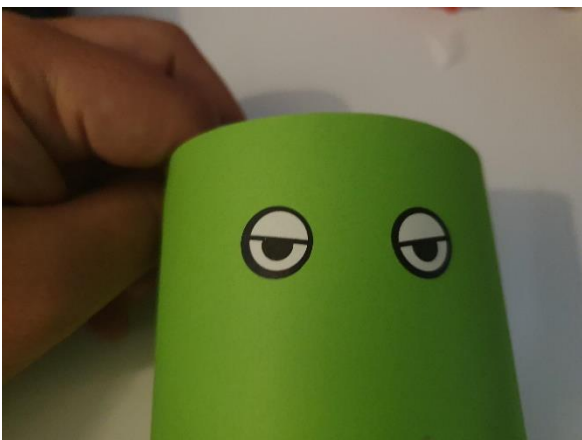

- Sheet of Green paper
- Double sided tape or Glue stick
- Orange, Yellow, Red tissue paper
- Crayon (For Scales)
- Eyes
- Scissors

1. Roll your paper into a tube and stick it together

2. Draw some scales. You can do this before or after you make a tube

3. Stick some eyes onto your dragon.

4. Stick in some tissue paper strips to make it breathe flames!
(You could maybe add a nose, horns, ears or teeth?)

And there is your DRAGON!!!
