

ADVENTURE GROUPS

Introduction

Returning for 2024!

'**Adventure Groups**' is our initiative designed to welcome uniform groups into Askham Bryan Wildlife Park.

During set evenings on **Tuesday – Thursday** in **June/July 2024**, your informative guide will take your adventure groups on an exciting journey of discovery, leading you face to face with some of our inquisitive animals in the Wildlife Park!

You will have the **exclusivity** of the Wildlife Park after hours, allowing you to absorb all aspects of nature as we walk through our **indoor** and **outdoor** areas.

Be sure to keep an eye out for our resident native species too!

As you walk through the park, your informative educational guide will keep your adventure groups fascinated with lots of animal knowledge, with plenty of opportunity to ask questions as we go along.
